Letter From the President

Welcome to the 55th annual New England Folk Festival. We're glad you're here to join us in celebrating the joys of music, dancing, crafts, food and fellowship.

If you have been here before, welcome back. You will find many of your favorite activities again, as well as some new ones. I hope you'll try some of the latter; the Festival is a good place to sample something different and untried. If you are new to the Festival, don't be overwhelmed! We try to have something for everyone, which means a great deal going on at any given time. You can't do everything, so study the program book and choose intriguing activities to explore. Don't forget that, in addition to participatory dancing, there are performances, discussions, song sessions and workshops, as well as the Folk Bazaar, the Crafts Hall, and the ethnic foods in the cafeteria.

One of the very special things about NEFFA is that it is a volunteer effort. Performers, as well as planners, ticket sellers, parking and safety staff, etc. donate their time and energy in order to make it happen. All are equally important to the festival's success; we don't have stars, and then the rest of us. And there's nothing more satisfying than knowing we have all pulled together to create such a wonderful event. If you would like to join us in helping with future festivals, come to the annual meeting on Sunday at noon, or speak to anyone wearing a green Festival badge.

Another special thing about the Festival is that it is an event for people of any age. It is a special pleasure for me to see the kids happily crowding the Activity Room or participating in family dance sessions and singalongs. And I love meeting teenagers and grandparents and everyone in between in the contra lines, all enjoying themselves together. Whether you want to watch or participate, do something familiar or experiment with something new, there is sure to be something for you to take pleasure in here.

A lot of what the Festival is comes from you, the Festival attendees. There are evaluation forms at the Hospitality Table. Please fill one out, and let us know what you think about what we are doing. We read them carefully, and keep your ideas in mind as we plan for next year.

Most of all, enjoy the Festival!

Nancy Hanssen, President

Festival Notes

Please wear only clean, non-marking shoes which have not been worn outside (such as clean sneakers or soft-soled dance shoes) in the Main Hall, Lower Hall and Auditorium Stage.

There is no on-street parking associated with the Festival -- avoid frustration by parking at Natick Labs on Route 27 in Natick. Shuttle buses run every 15 minutes between all the remote parking lots and the high school throughout the weekend.

Park at your own risk. The New England Folk Festival Association, its agents, servants and employees do not assume any liability for any damage, theft or other loss to your vehicle or your property that occurs as a result of parking your vehicle in any of the lots that are designated for Festival use. Overnight parking is not permitted in any of the lots used for Festival parking. Observe the designated NEFFA parking signs.

NEFFA will not be making announcements about towing.

You will find an **Access Guide** in the Lobby and at the Hospitality Table. The Guide describes access services and includes a Festival map highlighting special routes to rooms for people using wheelchairs. Please contact Hospitality if you need assistance with access to a program or activity. **Large print grids** are available in the Lobby and at the Hospitality Table (be sure to check the wall grids for last minute schedule changes).

Children must be supervised by a parent or guardian **at all times**. Events coded **F** are designed for you and your children to participate in together. However, any Festival Committee member who finds a small child alone will bring him/her to the Hospitality Table to await his/her parent. Parents may report small children who are missing to the Hospitality Table. The New England Folk Festival Association, its agents, servants and employees do not assume any liability for any injuries to a child sustained as a result of parent or guardian's failure to adequately supervise a child at the Festival.

Questions? Can't find the Auditorium Stage? Lost your ticket? Need a ride? Want to leave a message for a friend? Ask for help at the **Hospitality Table**, or stop one of the Festival Committee members who are wearing special badges. Probably no one person can answer all your questions, but we'll help you find the right place to ask.

NEFFA encourages all dancers to exercise care in their dancing. The New England Folk Festival Association, its agents, servants and employees do not assume any liability for any injuries that may be sustained due to the condition of the halls or the dancing.

NEFFA maintains a **Lost & Found** at the **Hospitality Table**. Before you leave the Festival, check at the Hospitality Table to report belongings you have mislaid. The item may already be there. If not, and it is found at the close of the Festival, it will be mailed to you, if we have your name and address. If you discover after you leave the Festival that you have lost something, you may call (508) 229-2854 to see if the item was found. Items not claimed by July first will be donated to charity, if appropriate.

NEFFA maintains a telephone number at the Festival **for emergency incoming calls only**. In the event you need to contact someone **in an emergency only**, call (508) 229-2854 and the staff at the Hospitality Table will endeavor to assist you. Since the Festival is so large, we can't guarantee we'll be able to locate an attendee, but we'll do our best.

NEFFA does not permit Festival-goers to bring **dogs or other animals on the Natick High School property** during the Festival, except animals which are present for the purpose of assisting someone with a disability. Dogs found alone on the Natick High School property will be reported to the Natick dog officer.

We thank the Natick Labs of the U.S. Army for their generous donation of additional parking. See maps for parking locations. There will be frequent shuttle buses between the parking lots and the Festival site.

Please watch your personal belongings. The New England Folk Festival Association, its agents, servants and employees do not assume any liability for any damage, theft or loss to your personal property that occurs as a result of attendance at the Festival.

This is an all-volunteer Festival, so be sympathetic if the program gets off schedule or someone goofs. We invite your patience and hope you will join the fun and friendliness.

Please smile if one of our safety volunteers asks you to move out of a jammed doorway, or not to sit in the bleacher aisles. Public safety laws demand that these conditions be addressed at all times.

Smoking is not allowed anywhere on the school property.

Festival craftspeople, merchants and those who serve food come at their own expense to share their interests with others. Do consider buying items that are for sale, but remember that the transactions are entirely between you and the vendors.

Food must be eaten in the cafeteria, and is not permitted in any of the other rooms or hallways of the High School. Sealed water bottles, such as sports bottles, are permitted, but must remain sealed when not in use.

Two **rest areas** are available for Festival-goers – please see the NEFFA map to find them. The South Room is available for **jamming, rehearsals, and other informal activities**. A sign-up sheet will be posted on the door to reserve this room. (Please note that this room is not wheelchair accessible. See the **Access Guide** for alternatives.)

In the **year 2000**, our current plans are that the Festival will be the weekend of April 14-16, 2000. This is the weekend **just before the Boston Marathon**, and there is a lot of competition for motel rooms in the area. We suggest that you **book rooms as early as you can to avoid disappointment!** Check with your motel; they may allow bookings up to a year in advance.
